

WESTERN AUSTRALIAN Electoral Commission

QUARTERLY ELECTORAL ENROLMENT STATISTICS

30 September 2016

This report provides Western Australian electoral enrolment numbers for all electoral districts and regions as at 30 September 2016.

This report includes figures that illustrate the percentage change in total enrolment for each electoral district and region since 9 March 2015. Enrolment figures taken at 9 March 2015 were used to calculate the revised electoral district and region boundaries and were published in the Government Gazette on 27 November 2015. These figures have also been used to calculate the quotas for the redistribution of State boundaries that will come into effect at the 2017 State General Election.

* indicates Large District.

Large districts (100,000 km² or greater) qualify for a Large District Allowance (LDA) when electoral boundaries are drawn.

The LDA is calculated by multiplying the square kilometres of the district by 1.5%. The final number, calculated by adding the allowance to the number of electors in the district, must be within a range of 20% less or 10% greater than the average district enrolment.

The impact of the LDA on the variation from average district enrolment is shown in the Enrolment Variation by Region and District report for the Mining and Pastoral and Agricultural regions.
