Sample ballot papers

EITHER Above the line voting

The top section of the ballot paper lists political parties or groups horizontally.

To vote above the line, write a '1' in the square above the name of your preferred party or group.

You may continue numbering other parties, but you don't need to number every square.

OR Below the line voting

The bottom section lists individual candidates vertically under each party or group name.

If you want to choose specific candidates, you must number at least 1 to 20 in order of your preference.

You can continue numbering beyond 20 if you like but you don't need to number every square.
