Supporter reference number:			

Note: If consent is provided above, the supporter's details and a copy of this declaration will be provided to the Western Australian Electoral Commission.

A candidate requires a minimum of 250 supporters to qualify as an eligible candidate with the Western Australian Electoral Commission. Each supporter must be enrolled on the Western Australian electoral roll and not be a supporter of another candidate to qualify. Electors can check their enrolment details at www.elections.wa.gov.au/check. The supporter must complete and sign this declaration confirming their support of the candidate. Refer to section 78 of the *Electoral Act 1907* for further information about candidate nominations.
