# Introduction

On Tuesday 6 February 2018 the Speaker of the Legislative Assembly issued a writ for a by-election in the Legislative Assembly electoral District of Cottesloe.

The electorate of Cottesloe is located in the North Metropolitan Region, has an area of 35 km<sup>2</sup> and includes the Shire of Peppermint Grove, the Towns of Cottesloe and Mosman Park, parts of the cities of Fremantle and Nedlands and parts of the Towns of Cambridge and Claremont.

The district had 27,831 electors at the time of the by-election.

## THE RETURNING OFFICER

Mr David Payne was appointed as Returning Officer for the 2018 Cottesloe by-election. As an experienced Returning Officer and Commission employee who lives within the electorate of Cottesloe, David's local knowledge was invaluable.

## ELECTION INFO CARD

A personally addressed Election Info Card was mailed to every elector within the district including details of polling place locations and wheelchair access. The use of such a form is more practicable at by-elections where they can be posted out in one go, compared with a

general election where they would have to be despatched sequentially over a 3 week period. The cards were sent out on Monday 26 February to ensure delivery well before polling day on Saturday 17 March 2018, sample as below.

## ELECTION LINE CALL CENTRE

From Wednesday 7 February 2018 until Thursday 22 March 2018 an election information telephone call centre service was available to the general public to handle general enquiries or complaints. A total of 738 calls were received,

at a daily average of 23. This represents 2.65% of the electorate accessing the call centre. As evident in the following chart, the nature of enquiries varied significantly but with approximately 40% related to early voting.

## WEBSITE

The Commission website featured a Cottesloe by-election specific link on the home page guiding users to information about the district, Returning Officer contact details, polling place and early voting locations and election timetable with information available in multiple languages. The website had a total of 18,546 visits during the election period, of whom 81% were new visitors.

Social media was also active with the Commission's Facebook and Twitter sites [twitter.com/WAelections](https://twitter.com/WAelections) and [facebook.com/WAelections](https://facebook.com/WAelections) experiencing consistent activity throughout the whole by-election period.

## EARLY VOTING

Under amendments to the *Electoral Act 1907* introduced in 2016, anyone who is eligible to vote in a State election may apply for an early vote, either in person or by post. To increase elector convenience, specific requirements to vote early are no longer required.

Early voting was available from Wednesday 28 February 2018 at the offices listed below and concluded at 6pm on Friday 16 March 2018. As an innovation at this election the Eric Street early voting centre operated over extended hours, 9.00am to 7.00pm on weekdays and 9.00am to 1.00pm on Saturdays.

A total of 3,549 early votes were cast in person. This represents 19% of all votes cast compared with 15% at the 2017 general election, confirming that more electors are choosing to cast their vote at their convenience, rather than on the traditional polling day. Demand is likely to increase in future.

The Commission received 16 complaints over the course of the election campaign, all relating to the conduct of candidates rather than the Commission itself. The main issues related to matters regarding authorisation of election material, misleading and deceptive publications, candidate signage and the use of political party postal vote application forms. All were able to be resolved informally, mainly by explanation.
