FOREWORD

This guide is issued by the Western Australian Electoral Commission to assist prospective candidates. The guide reflects, and should be read in conjunction with, the Local Government Act 1995 (LGA) and the Local Government (Elections) Regulations 1997 (Reg) and subsequent amendments at the time of publication. Candidates should check for any amendments after this date.

Any queries about Local Government elections should be directed in the first instance to the Returning Officer for the particular Local Government. Contact details are available from the Western Australian Electoral Commission on 13 63 06 and on the Commission’s website at www.elections.wa.gov.au under the name of the individual Local Government.

David Kerslake
ELECTORAL COMMISSIONER

July 2015
1. **INTRODUCTION**

This guide is written for electors who are contemplating nominating to be a candidate for a local government election.

2. **IN-PERSON VOTING TIMETABLE**

An election is conducted over a period of 80 days. The key events in the election process are:
- close of rolls;
- nominations open;
- close of nominations;
- early voting;
- postal voting; and
- polling day and declaration of the poll.

3. **ELIGIBILITY TO NOMINATE**

In order to nominate, a candidate must be an elector of the district as at the close of enrolment. A candidate need not be an elector of the particular ward for which he or she is standing. A candidate must be on the electoral roll at the close of the rolls.

A candidate may be an eligible resident or a non-resident property owner or occupier.

3.1 **Resident**

A person who is enrolled as an elector on the State electoral roll for a residence in the Local Government (ward in the case of ward elections or district for district or mayoral elections) is a resident. Residents are automatically enrolled on the district roll.
The Western Australian Electoral Commission maintains the residents roll. A candidate can check that he or she is enrolled on the State electoral roll for an address in his or her Local Government district by contacting the Commission on 13 63 06 or the Commission’s website at www.elections.wa.gov.au.

### 3.2 Non-Resident Owners and Occupiers

Non-resident owners and occupiers rolls are maintained by individual Local Governments, so candidates must check with their Local Government to confirm eligibility.

Certain non-resident owners and occupiers are not eligible to stand for election (see section 3.3.2).

#### 3.2.1 Non-Resident Owner

To be eligible to stand for election, a non-resident owner of rateable property within an electorate must be enrolled on the State or Commonwealth roll and have completed an *Enrolment Eligibility Claim* form. The Chief Executive Officer of the Local Government authority must have received the *Enrolment Eligibility Claim* form before the close of enrolments prior to any election.

---

#### 3.2.2 Non-Resident Occupier

A non-resident occupier is a person who lives outside the electorate and has a right of continuous occupation for rateable property within the electorate under a lease, tenancy agreement or other legal instrument. The right of continuous occupation must extend for a period of at least three months at the time the person claims enrolment.

A non-resident occupier must be enrolled on the State or Commonwealth roll for an address outside the electorate and have completed an *Enrolment Eligibility Claim* form. The Chief Executive
Officer of the Local Government must have received the *Enrolment Eligibility Claim* form before the close of enrolments prior to any election.

### 3.3 Electors not Eligible to Nominate

Certain electors are ineligible to nominate for election, as described in the following sub-sections.

#### 3.3.1 Nominee of a Body Corporate

A person is not eligible to nominate for election if he or she is on the electoral roll as a nominee of a body corporate. *LGA s.2.19*

#### 3.3.2 Certain Other Electors

If an elector was on the last owners and occupiers roll prepared under section 43 of the previous *Local Government Act* for that Local Government and has continued to own or occupy rateable property within the district continuously since that roll was prepared, the *Local Government Act 1995* provides for that elector to be eligible to vote at elections for that Local Government. These electors are, however, ineligible to stand for election. *Schedule 9.3(12)*

### 3.4 General Eligibility Criteria

At the time of nomination, a candidate must be an elector of the district and 18 years of age or over and be qualified under section 2.19 of the *Local Government Act 1995* to be elected as a member of the council. *LGA s.2.19*

A candidate is disqualified for membership of a council if he or she:

- is a member of the Legislative Assembly, the Legislative Council, the House of Representatives or the Senate (or has been elected as such a member but has not yet taken office); or *LGA s.2.20*
- is a member of the council of another Local Government; or *LGA s.2.23*
- is an insolvent under administration; or *LGA s.2.21*
• is in prison serving a sentence for a crime; or

\[ LGA \text{ s.2.22} \]

• has been convicted of a serious Local Government offence within the last 5 years (unless the court waived the disqualification); or

\[ LGA \text{ s.2.22} \]

• have been convicted on indictment of an offence for which the indictable penalty was or included –

(i) imprisonment for life; or

(ii) imprisonment for more than 5 years; or

\[ LGA \text{ s.2.22} \]

• is subject to a court order disqualifying him or her from being a member of a council because he or she has misapplied Local Government funds or property.

\[ LGA \text{ s.2.24} \]

A candidate cannot stand for two positions on council, other than if one is for the position of mayor or shire president.

\[ LGA \text{ s.4.48(1)(b)} \]

If a candidate holds office as a councillor, he or she cannot nominate for a councillor vacancy unless the term of their current office expires on or before polling day.

\[ LGA \text{ s.4.48(1)(c)} \]

If the election is to fill the office of mayor or president, nominations can only be accepted from persons who were electors of the district at the close of enrolments and who were, at the time of nomination, qualified under section 2.19 of the Act, to be elected as a member of the council.

If a candidate is on the residents roll and has changed address after the rolls have closed, the candidate is still an elector of the district and therefore eligible to nominate, provided other eligibility criteria are met.
4. **CANDIDATE’S INFORMATION CD**

The Returning Officer will provide candidates with a CD containing:

- *A Guide for Candidates* (published by the Commission);
- *A Guide for Scrutineers* (published by the Commission);
- *Fact Sheets for Candidates* (published by the Department of Local Government and Communities);
- *Formality of Ballot Papers* (published by the Commission);
- Form LG 08 *Nomination for Election by Candidate*;
- Form LG 09 *Nomination for Election by Agent*;
- Form LG 9A *Disclosure of Gifts*; and
- Form LG 18 *Appointment of Scrutineer*.

5. **DISCLOSURE OF ELECTORAL DONATIONS BY CANDIDATES**

Candidates have a duty of disclosure of electoral donations. Details about the duty of disclosure are provided in Appendix 2.

All enquiries referring to the disclosure of gifts should be directed to the Chief Executive Officer of the Local Government district, not the Returning Officer.

6. **COPY OF ELECTORAL ROLL**

The close of rolls occurs approximately seven weeks before the election at 5.00 pm on the 50th day before election day.

A candidate may obtain a free copy of the owners and occupiers roll and the residents roll for the electorate (ward or district) for which he or she nominates, from the Returning Officer.
7. **HOW TO NOMINATE**

A nomination can only be made to the Returning Officer. It cannot be made to any other person.

The nomination must reach the Returning Officer before the close of nominations at 4.00 pm on the 37th day before election day.

A nomination form must be completed by the candidate.

7.1 **Nomination by Candidate**

An effective nomination consists of the following:

- a completed nomination form;
- a profile of the candidate, prepared in accordance with the regulations;
- a nomination deposit of $80 in the form of cash, bank cheque or money order; and
- a photograph (optional).

Candidates are encouraged to make an appointment with the Returning Officer well before nominations close to discuss nomination requirements. The Returning Officer may conduct an information session for prospective candidates and provide a CD containing guides and forms for candidates and scrutineers.

The Commission has developed an online system called Nomination Builder to assist candidates complete their nomination form which includes the candidate profile. This is the preferred method of completing the nomination form and profile for elections conducted by the Commission. Only candidates in local government elections conducted by the Commission can use this facility. Candidates complete nomination details and profile via the internet, print the completed form which has a barcode reference number allocated which is then lodged with the Returning Officer in person or by a
properly appointed agent. The reference number on the form acts as a key to each candidate’s information, allowing the Returning Officer to load this information directly into the Commission’s Election Management System (EMSWA). This innovation reduces waiting time for candidates who have traditionally nominated in the last hours before close of nominations and reduces administrative overheads for Returning Officers. The accuracy of nomination details and the profile is the candidate’s responsibility.

7.2 **Lodgement by another person**

A candidate may appoint another person to submit a nomination on his or her behalf. The person should make an appointment with the Returning Officer and take the following:

- a candidate completed online nomination form with reference number and password including the profile;
- a nomination deposit of $80 in the form of cash, bank cheque or money order;
- a letter from the candidate confirming that the person has been appointed by that candidate to submit a nomination on his or her behalf; and
- a photograph of the candidate (optional).
7.3 **Online Nomination Builder**

The online nomination builder which includes the nomination form and a profile template is available on the Commission’s website at [www.elections.wa.gov.au](http://www.elections.wa.gov.au). Under *Local Government Elections* select *Candidate Nomination*, then complete the Nomination Builder.

8. **COMPLETING THE NOMINATION FORM**

The following notes are to guide candidates when using the Nomination Builder.

How a candidate’s name is to look on the ballot paper must be specified on the nomination form. It must include the candidate’s surname and one or more of that candidate’s given names or a commonly accepted variation. These may appear as follows:

- the given name;
- an initial; or
- a commonly accepted variation.

The inclusion of two or more given names can have implications for the ballot paper layout and is not recommended.

For example, for a candidate with the full name of *William Ray Dally-Smith*, variations could include:

- *Dally-Smith WR,*
- *Dally-Smith Bill*
- *Dally-Smith Ray.*
The Returning Officer has discretion as to what is acceptable and to resolve any situation when two candidates ask for the same name to be used on the ballot papers. A candidate’s surname will always appear first on the ballot paper.

If a candidate is a resident, there is no need to identify the property for which he or she is enrolled as an elector, as this is shown under ‘address’. Only non-resident owners and occupiers need identify a property address.

A candidate is eligible as a non-resident if he or she lives outside the electorate but owns or occupies property in the electorate.

A candidate can nominate for both mayor/ president and councillor if he or she wishes to contest both vacancies. However, a candidate will need:

• a separate online form for each nomination (including profile); and
• $80 nomination deposit for each nomination, i.e. $160.

When a candidate makes a declaration, he or she is stating that they are an elector of the district. Under the Local Government Act 1995, an elector is ‘in relation to a district or ward, a person who is eligible to be enrolled to vote at elections for the district or ward’. If he or she is not eligible to be enrolled as described in section 3 of this guide, this declaration cannot be made.

The Returning Officer can witness a candidate’s declaration.

The Returning Officer will issue a receipt to a candidate on receipt of an effective nomination.
9. CANDIDATE PROFILE

The purpose of a profile is to provide information about a candidate to electors so that they can make a more informed choice when voting, and to give a contact address or phone number to electors who may wish to discuss issues with the candidate.

The profile must be written in English, contain no more than 150 words, be able to be printed on a single A4 page and be confined to biographical information about a candidate and statements of his or her policies or beliefs. It must not contain information that the Returning Officer considers to be false, misleading or defamatory.

The profile is to include the candidate’s name (in the form in which it is to be included on the ballot paper) and give details of where he or she can be contacted. The Local Government and ward name as well as the candidate’s name and contact details will not be counted in the 150 word limit.

The Returning Officer may amend the wording of the profile to make it acceptable in accordance with the Regulations. It is suggested that your proposed profile be provided to the Returning Officer for comment prior to nomination.

The Returning Officer will advise of any changes required to the text of a profile and provide the reasons for the changes.

A candidate may amend their online nominations at any time prior to final acceptance by the Returning Officer which must occur prior to the close of nominations. Access to the online nomination form is via the barcode number and password created by the candidate.

The Returning Officer has the discretion to amend profiles after the close of nominations.
10. **EFFECTIVE NOMINATION**

A nomination is effective if:

- it has been correctly completed and signed;
- it is received by the Returning Officer after the opening of nominations and before the close of nominations;
- there is evidence that the nomination is made by a candidate or with his or her consent;
- the profile is submitted in accordance with regulations; and
- a deposit of $80 has been paid.

10.1 **Exhibition and Publication of Candidate Details and Profiles**

The candidate’s profile will be displayed on the Local Government public noticeboard.

The profile for display on the public noticeboard can either be handwritten (must be legible), typed or generated automatically from the information supplied by the candidate online and printed out on a single A4 page.

Profiles are also published and posted out to all electors as part of the election package. All profiles for this purpose are printed in a standard style with all formatting removed (see Appendix 1).

10.2 **Candidate Photograph**

The inclusion of a photograph with the profile is optional. If a photograph is supplied, it must be of the candidate’s head or head and shoulders view, passport sized and not more than six months old. The photograph is included in the candidate profile sent out to each elector.
For best reproduction in the election package, the photograph should be:

- neither very dark, nor very light;
- neither very close, nor very distant;
- taken in front of a plain light-coloured background;
- a full front view of the head and shoulders;
- with eyes open;
- with eyes clearly visible if glasses are worn;
- without head covering (if head covering worn for religious reasons, it will be accepted providing that facial features are visible);
- sharply focused, not blurred or unclear; and

Photos can be supplied as hard copies or in electronic format. The file name of photographs supplied in electronic format must contain the candidate’s surname.

The Returning Officer may use his or her discretion and reject a photograph if he or she believes it is not a true representation of the candidate.  

11. **DEPOSIT**

An $80 deposit must be paid to the Returning Officer as part of the nomination process. The deposit will be accepted by the Returning Officer if it is paid in cash, by bank cheque or money order. The bank cheque or money order is to be made payable to the Local Government concerned. A personal cheque is not accepted under any circumstances as there is no way of guaranteeing that cleared funds are available at the time of nomination.

The Returning Officer may accept payment of the deposit by electronic transfer or other means (e.g. credit card), so long as proof can be provided that the deposit has been credited to the Local
Government’s trust account before close of nominations. Arrangements for this method of paying the deposit must be made in advance.

All deposits are held in the Local Government’s trust fund.

**11.1 Refund of Deposits**

The Returning Officer will advise the Local Government to refund deposits to those candidates who are eligible to receive a refund under the following conditions.

- **One vacancy**: if a candidate receives at least 5% of the total number of votes included in the count;  
  
- **Two or more vacancies**: if a candidate receives at least 5% of the total number of votes included in the count;
  
- **Nomination withdrawn** not later than 4.00 pm on the 38th day (the day before the close of nominations) before election day;
  
- **Successful candidate in a principal office election** (e.g. for mayor) where an additional deposit was paid to nominate for election as a councillor for the same Local Government held on the same election day;
  
- **Election declared invalid** by a Court of Disputed Returns; or
  
- **Death of candidate** occurring after the close of nominations but before the election is completed.

Refunded deposits are payable to a candidate, a person to whom a candidate has provided written notice to the Chief Executive Officer of the Local Government to pay or, if a candidate is dead or otherwise incapable of receiving the payment, to a personal representative of a candidate or other person lawfully entitled to receive it.
12. **REJECTION OF NOMINATION**

A nomination may be rejected if: \( LGA \text{ s.4.51} \)

- it is not an effective nomination (e.g. if some documentation is missing, if it is unsigned, no profile has been submitted, no deposit received, or it was received after the close of nominations);

- a candidate was not an elector of the district, or was not an elector of the district as at the close of enrolments;

- a candidate is standing for office as councillor at another election; or

- a candidate is the holder of an office or a member of the council whose term of office expires later than election day.

13. **CANCELLATION OF NOMINATION**

A nomination may be withdrawn if a candidate gives notice before the close of nominations. The withdrawal of a nomination is effective if: \( LGA \text{ s.4.53(1),(2),(3)} \)

- written notice of it is received by the Returning Officer at the nomination place (by hand, post or facsimile) before the close of nominations;

- evidence that the withdrawal is made by or with a candidate’s consent is given to the Returning Officer in writing before close of nominations; or

- in the event of the death of the candidate before the close of nominations.

A nomination cannot be withdrawn after the close of nominations.
14. **NO NOMINATIONS RECEIVED BY CLOSE OF NOMINATIONS**

If there are no candidates for an office at the close of nominations, an extraordinary election must be held to fill the office as if it had become vacant on the day after the close of nominations.  
*LGA s.4.57(1)*

If there are no candidates at the close of nominations for a subsequent extraordinary election, or the number of candidates is less than the number of offices to be filled at the election, the council may, by absolute majority, appoint a person who would be eligible and willing to accept the appointment to any unfilled office.  
*LGA s.4.57(3)*

15. **DECLARATION OF NOMINATIONS**

Immediately after nominations have closed, the Returning Officer publicly declares all nominations that have been accepted.  
*LGA s.4.54*

The declaration will be made at the designated nomination place in the presence of any candidates and other people who wish to attend.

15.1 **Less Nominations than Vacancies**

If the number of candidates is less than the number of offices to be filled at the close of nominations, the candidates are elected unopposed. An extraordinary election may then be held at a later date to fill the remaining unfilled office or offices as if they had become vacant on the day after the close of nominations.  
*LGA s.4.57(2)*

15.2 **Same Number of Nominations as Vacancies**

If at the close of nominations, the number of candidates is equal to the number of vacancies to be filled, the candidates are elected unopposed. If the vacancies are for varied terms, they are filled by the Returning Officer drawing lots. The first drawn will be appointed to the longer term.  
*LGA s.4.55*
15.3 More Nominations than Vacancies

If at the close of nominations, there are more candidates than vacancies, the Returning Officer will draw lots to decide the position in which each candidate will be placed on the ballot paper. The order they are drawn is the order that they will appear on the ballot paper, i.e. first drawn is on top of ballot paper.

15.4 Draw for Positions on Ballot Paper

The following is the method used by the Returning Officer to draw positions on the ballot paper:

Step 1
Writes names of candidates on slips

Step 2
Places slips in separate opaque spheres

Step 3
Places spheres in a box

Step 4
Shakes and rotates box

Step 5
Removes a sphere and opens it

Step 6
Records name on list

Step 7
Goes to step 4 until all names have been recorded

When the list is completed, it must be signed and dated by the Returning Officer.
16. **DEATH OF A CANDIDATE**

If a candidate dies after the close of nominations but before the vacant office(s) are filled, the election is void and an extraordinary election must be held to fill the vacancy. The office is declared vacant as from the date of death.

If a candidate dies after being elected but before their term of office begins, an extraordinary election must be held.

17. **ELECTORAL ADVERTISING AND PUBLICATIONS**

Electoral material consists of any advertisement, handbill, pamphlet, notice, letter or article for the election. Electoral material must have the name and address (not being a post office box) of the person who authorised its publication.

The address must be one that enables the person authorising the material to be identified and located without difficulty. A residential address is preferable, however a business address is also acceptable.

In the case of electoral material that is printed other than in a newspaper, the name and business address of the printer must also appear at the end of the electoral material.

Where authorisation and printer details must appear, it is an offence not to include these.

The name and address of the person authorising the electoral material and a printer does not have to appear on car stickers, clothing, lapel badges, pens, pencils, balloons and other similar promotional material.
18. **ELECTION CAMPAIGN**

For in person elections, where votes are cast on election day, a candidate’s campaign normally grows in intensity up to election day.

However, a candidate may want to consider whether any early voting is being conducted at remote communities.
19. POSTAL VOTING

Electors can apply for a postal vote. Postal voting electors on the register are posted an election package.
The following is a flow chart indicating how the postal voting process operates:

Election packages sent to electors who have completed an application for a postal vote

Voters return reply paid envelopes containing ballot papers to the Returning Officer or to an electoral officer in the local government district.

Reply paid envelopes are opened. Ballot paper envelopes are extracted.

Electors' certificates are checked for signature of elector and completion in accordance with regulations.

Elector is marked of the roll as having voted.

Certificates are detached from ballot paper envelopes. After this point, it is no longer possible to identify the voter who completed the ballot paper.

Ballot paper envelopes are placed into sealed ballot boxes.

The Returning Officer opens the ballot boxes, opens the ballot paper envelopes and includes the ballot papers in the count. Computer assisted counting may be used in certain circumstances.
20. **EARLY VOTING**

The times and dates that early voting occurs is detailed in the election notice. This will include issuing at the local government office as well as possible other locations.

The votes received at these early voting centres are placed by the elector in a sealed ballot box. The votes are counted after 6.00pm on election day by the Returning Officer.

21. **ORDINARY VOTING AT POLLING PLACES**

Ordinary votes are issued at the polling place on election day. Electors that have not already cast an early, postal or absent vote can be issued a ballot paper.

Returning Officers have the power to take any reasonable steps to ensure that voting is conducted in a peaceful and orderly manner. They may remove or exclude from the polling place any person who is disrupting or may disrupt the poll. They may call on a member of the Police Service for assistance if this is required.

If, on any day on which polling for an election takes place, a person:

- canvasses for votes;
- solicits the vote of an elector;
- induces an elector not to vote for a particular candidate; or
- induces an elector not to vote at the election,
  in a polling place or within 6 metres from the entrance to a polling place, that person commits an offence. The Act provides a severe penalty for an offence.

The counting of votes will be held at the place or places specified in the election notice for the district. This may be the office of the local government or a central counting place.
22. **ASSISTANCE BY CANDIDATES NOT PERMITTED**

   It is unlawful for a candidate, or a person authorised to act on a candidate’s behalf, to communicate with, assist or interfere with an elector while the elector is marking a ballot paper.

   *LGA s.4.71(1)(d) Reg. 49*

23. **SCRUTINEERS**

   Details of the role of scrutineers are to be found in the publication *A Guide for Scrutineers.*

24. **COUNT OF VOTES**

   As soon as is practicable after voting has finished the Returning Officer will arrange for the votes to be counted and determine the result of the election.

   The votes will be counted at the place(s) notified in the election notice or, if that is impracticable, at any other place appointed by the Returning Officer.

   In the event of a common candidate for a mayoral/presidential and councillor election, the result of the election for mayor or president will be determined before the councillor elections.

24.1 **First-Past-the-Post Counting**

   The number of votes given for each candidate is ascertained using the first-past-the-post counting system.

   The candidate who receives the greatest number of votes is elected.
If the election is to fill two or more offices of councillor, the candidates elected are:

- the candidate who receives the greatest number of votes; and
- the candidate who receives the next highest number of votes; and
- so on, up to the number of offices to be filled.

If two or more candidates receive the same number of votes, the Returning Officer must draw lots in the presence of any scrutineers who may be present to determine which candidate is elected. This is done in a similar fashion to the draw for the ballot paper position.

24.2 Formality of Votes

A ballot paper can be admitted if, in the Returning Officer’s opinion, it clearly indicates an elector's wishes.

The Returning Officer may review a decision in the course of a recount of votes and, in determining the formality of any ballot paper, is to take into account any instructions given by the Electoral Commissioner (refer to publication Formality of Ballot Papers).

The Returning Officer's decision about the acceptance or rejection of a ballot paper is final.

24.3 Computer-Assisted Counting (CountWA)

The Electoral Commissioner may decide to use a computer-assisted counting system (CountWA) for a Local Government election if there are several vacancies, more than four candidates and if a sufficiently large number of electors vote. Under these circumstances a computer-assisted count will be quicker than the manual method.

Ballot papers are first scrutinised and sorted manually into batches for data entry.
After all batches have been entered, the Returning Officer will generate an automated count of all the ballot papers.

Scrutineers must address questions to the Returning Officer or the table supervisor, not to other count staff.

25. **DECLARATION OF RESULT**

The result of a count is not final until the Returning Officer formally declares the result. If the initial count indicates that two candidates are close, the Returning Officer may decide to conduct a recount before he or she declares the result.

26. **DISPUTED RETURNS**

The validity of any election may be disputed by an invalidity complaint made in writing within 28 days after notice is given of the result of the election. An invalidity complaint must be made to a Court of Disputed Returns constituted by a Magistrate.

27. **ELECTORAL OFFENCES**

Candidates should be aware of Division 11 of Part 4 of the *Local Government Act 1995* relating to offences.

Disclosure of Electoral Donations
DISCLOSURE OF ELECTORAL DONATIONS

Provisions relating to the disclosure of electoral donations by Local Government candidates are contained in regulations made under section 4.59 of the Local Government Act 1995. The provisions require both candidates and donors at elections to disclose electoral gifts.

These provisions provide, amongst other requirements, that both candidates and donors must disclose information about any electoral related gift with a value of $200 or more that has been given or promised within the six month period prior to the relevant election day. It is essential that candidates advise donors of their reporting responsibilities.

A gift includes a gift of money, a gift which is nonmonetary but of value, a gift in kind or where there is inadequate financial consideration such as the receipt of a discount (where the difference or the discount is worth more than $200). A gift could also include a financial or other contribution to travel, the provision of a service for no consideration or for inadequate consideration, and a firm promise or agreement to give a gift at some future time. A gift does not include a gift by will; a gift by a relative; a gift that the candidate would have received notwithstanding his or her candidature; or the provision of volunteer labour. In addition the regulations state that any gifts received by the candidate from unidentified donors must be disclosed and provided to the Chief Executive Officer of the relevant Local Government for disposal.

The disclosure of a gift has to be made to the Chief Executive Officer of the Local Government on form LG 9A Disclosure of Gifts and must be submitted within three days of nomination and also subsequently after any further gift has been received. Information to be supplied includes the name of the candidate; the name and address of the donor; the date the gift was promised or received; the value and description of the gift. The disclosure period finishes three days after the election day for unsuccessful candidates and on the start day for financial interest returns for successful candidates.

Disclosure forms are to be placed in the electoral gift register upon receipt by the Chief Executive Officer who is responsible for its establishment and maintenance. The register is to be kept available for public inspection. Three days after the election day, the CEO is to remove any ‘disclosure of gifts’ forms completed by any unsuccessful candidates from the gift register, and retain those forms separately for a period of at least 2 years. When a successful candidate completes the term of office resulting from an election, the CEO is to remove any ‘disclosure of gifts’ forms completed by that person for that election from the gifts register, and retain those forms separately for a period of at least 2 years.

The provisions provide for a maximum penalty of $5,000 to be imposed on a candidate or a donor who fails to comply with the disclosure requirements.

Should any further information be required, please contact the Department of Local Government and Communities.
