# RECEIPTS

## 1. Total Receipts this Financial Year

\$ 405,375

This total must include all receipts of the associated entity.

Note:

- receipts throughout all sections of the associated entity must be included in the total;
- no category of receipt is to be excluded (eg. loans received are to be included);
- all figures must be gross;
- receipts of less than \$1,500 must also be included in this total; and
- it must include monetary receipts and gifts-in-kind (as defined in the Handbook)

## 2. Persons and Organisations from whom \$1,500 or more was received

In the table below list the name, address and the total amount received for those persons and organisations from whom \$1,500 or more was received. Individual receipts of less than \$1,500 do not need to be aggregated as part of the amount to be disclosed for a person or organisation. Where a loan has been received from a source other than a recognised financial institution, details of the terms and conditions of that loan must also be disclosed. This can be done in an attachment to this return.

The column headed 'description' may be used to indicate whether the amount received is a "donation" or "other receipt". You may also use this column to note any other information that would enhance disclosure.
