

WESTERN AUSTRALIAN Electoral Commission

**Legislative Council Electoral Regions and  
Legislative Assembly Electoral Districts**

**ELECTORAL ENROLMENT STATISTICS**

**as at 18 January 2001**

This report details State enrolment figures as at 18 January 2001.

Total State enrolment as at 18 January 2001, stood at 1,193,508.

A person is allowed to enrol on the State Electoral Roll when they are seventeen years old but are ineligible to vote until they are eighteen years old. These enrollees are provisional electors. The statistics contained in this report are different to the roll close statistics for the 10 February 2001 State General Election because the State General Election Roll (1,187,629) does not include provisional enrollees.

This report includes figures that illustrate the percentage change in total enrolment for each electoral district since 7.2.1994. Enrolment figures taken at that date were used to calculate the quotas on which the last redistribution of State boundaries was based.

Please note that a detailed results summary for the 1996 State General Election and subsequent Local Government Postal Elections is available on the Commission's Internet site at [www.waec.wa.gov.au](http://www.waec.wa.gov.au). A comprehensive statistics publication, "1996 State General Election - Results and Statistics" is available for purchase from the Commission.
