## Legislative Assembly Informal Voting Summary

### Informal Voting

The statewide average rate of informal votes decreased to 4.54% in the Legislative Assembly at this election.

Ballot papers which are blank, do not show preferences in accordance with instructions and/or legislative requirements, or do not make the voter's intention clear are classified as informal. A ballot paper will also be informal if the voter can be identified through a marking on it. Informal ballot papers do not contribute to the election of a candidate and are not included in calculating the quota or absolute majority required for election.

Blank ballot papers comprised 31.64% of all informal ballot papers. A further 12.48% of ballot papers were scribbled on and 8.16% of ballot papers contained only a tick mark. Those marked with only a first preference, comprised of 28.10% of all informal ballot papers.
