Electoral Regions and Districts .....	1
---------------------------------------	---

## Electoral Regions and Districts

On 27 November 2015 the Electoral Distribution Commissioners made decisions about the changes that were necessary to region and district boundaries by reference to the numerical limits in s16G of the *Electoral Act 1907* (WA). The Commissioners' reasons for making these decisions and the resultant maps of Western Australia's electoral region and district boundaries, are available on the Electoral Boundaries WA website [boundaries.wa.gov.au](http://boundaries.wa.gov.au). Their determinations, which are final, were published in the Government Gazette on the same date together with maps showing the final electoral boundaries.

These maps are generated from electronic forms which describe the boundaries for the six electoral regions and fifty-nine electoral districts, created under the authority of the Electoral Distribution Commissioners and lodged as Deposited Plans Nos 407655-407719 with Landgate. These electoral boundaries applied for the State general election held on 11 March 2017 to elect the 40th Western Australian Parliament.
